**Some plainer and hard to place lower grade calves fall below these figures. **

What another promising week in the cattle industry. Prices seem to hold steady and remain active. Feeder steers and heifers sold upwards of \$5 higher in some classes. Other classes held their own and remained strong. We saw a lot of action this week on the #650 up cattle. Making it very optimistic of what to expect in the fall. Packer cows and bulls sold steadily to last week. Overall, a great week to be a seller at KCA.
