**Some plainer and hard to place lower grade calves fall below these figures. **

What a great week we had up on the hill at KCA. Biggest run of the year and market was strong from the first one to the last. The market held strong on most classes of cattle with a few averages \$3 to \$5 higher in some spots. Cattle quality was great so that always makes it easier to market.

Plainer cattle are still \$10 to \$20 behind these figures. The Packer market was softer this week due to a lot of cows coming out of the North country. Overall, there are a lot of good dollar figures in cattle.
