*\*Some plainer and hard to place lower grade calves fall below these figures. \**

As we wrapped up the month of August the market was steady to a few dollars cheaper on the average. Top quality cattle sold very well and was very steady and consistent. Plainer cattle seemed to have lost some ground, but still brought a good price per head. Packer cows and bulls remain steady with last week's report.

**We will have a sale September 2, 2023**
