**Some plainer and hard to place lower grade calves fall below these figures. **

Great way to Kick off the Month of December. Buying power was well represented all day from the first one that hit the gate to the last. Feeder steers and heifers were steady to \$5 to \$10 higher on lighter calves weighing #600 and under. Biggers calves seem to have leveled off. Packer cows and bulls are holding strong and steady. The replacement sale was very successful, and we can't thank our Consignors and Buyers enough for believing in us to market their livestock.
