Wow what a great day to be a seller at KCA. Feeder steers and heifers sold steady to strong with a very good demand. Calling this week’s market compared to last week \$2 to \$5 higher on some classes. With winter grazing still in effect the market seems to be staying strong throughout the spring. Packer cows and bulls are very active and strong across the board. With top cow \$118 and bull \$135. What A ticket for cull cows and bulls !!!!
