**Some plainer and hard to place lower grade calves fall below these figures. **

Quality showed up to town this week and the buyers sure did notice. Feeder steers and heifers sold steadily to active across the board. Comparing this week's market to last week cattle sold \$5 cwt to \$15 cwt higher. The packer market was steady with good demand just at a lower level. Overall, it was good, honest, consistent market and a great day to be a seller !!!
